Christopher Nielsen

Homo Norvegicus

You need to know this about TWW (two wasted wankers) Quick summary of Odd + Geir's life: kindergarten to teenagers, petty criminals alcohol + drug abusers, heroin, jail. *They start with candy and end up on drugs* A joke about how things don't change. *Chronology* A sketch of the saga *Do you wanna, would you wanna be a narver!?* *Hell yeah!* «Narver» is a Nielsen-made name for 70's teenagers spending all their time outside the kiosk on the city tram station. Anger, lust, drunkenness, dope. Mock sociology report. *TWW light a joint* They do and talk about how fun it is. *Klepto's story* Guy in the neighborhood, nicknamed «Klepto» as he steals everything he can. *Narved-friday* Friday night, seventies, depressing Oslo suburb. Guys + girls crash Roger's apartment, his parents are away. They mess it up, try to make out, get drunk and high. They are thrown out, bored, get aggressive, fight + smoke. They spot local prostitute, agree on hand job. Odd, tough guy, goes with her into the woods. The day after he doesn't want to talk about it. *Bullets in the barrel* Earlier in their lives. Older cousin talks them into playing strip poker, he gets excited, it ends terribly wrong ... *Metro terror* The guys are making the metro trip unpleasant for everybody else. *Help, we are going to sleep over in the woods!* They pack beers + hash for weekend in cabin. Ronny scares the others with ghost story, has hidden all the alcohol for himself.
