Gabriel Moro has interviewed ten world renowned authors and asked each of them who their favorite comic character is. Learning that Karl Ove Knausgård has Lucky Luke as his favorite, is perhaps not so surprising, either that Siri Hustvedt admires Wonder Woman, but what about Dave Eggers as Fred Flintstone or Miranda July as Donald Duck?

Gabriel Moro slowly transforms the authors into their favorite characters in these ten comic interviews. The unpretentious approach makes them open up, and the interviews commute between serious reflections over authorship and literature, and more humorous and trivial talks about the authors writing routines and everyday life. Meet Siri Hustvedt, Junot Díaz, Joyce Carol Oates, Dave Eggers, Miranda July, George Saunders, Etgar Keret, Karl Ove Knausgård, Jonathan Safran Foer and J.M. Coetzee.

Illustrated by the author.
